With acclaimed Dzogchen Buddhist master His Eminence Dzogchen Rinpoche

Three-Day Dzogchen Retreat

Wisdom: The Sixth Paramita

Thursday, March 29th - Sunday, April 1st, 2012

Ulster County, NY

Coping with the recurring stress and pressure of the modern world can be overwhelming. Searching for answers to our problems without clarity, we struggle to find a long-term solution.

Wisdom, *the knowledge of all*, helps us recognise the cause of our problems and when combined with meditation, natural great peace, the ground of Dzogpachenpo is revealed. To realize our true potential we require the instruction from an authentic lineage master. During this retreat Dzogchen Rinpoche will introduce how we can merge directly with our innate wisdom.
